## **Jackson Futbol Club**

It's time again for JFC's \$10,000 Drawdown fundraiser. This annual fundraiser plays a major role in providing the necessary financial assistance for JFC's operations and we are proud that local businesses, such as yours, participate in the various sponsorship opportunities that allows JFC to continue to provide instruction and a safe environment for young athletes to enjoy the sport of soccer. As one of the largest soccer programs in Mississippi and serving as one of the elite programs throughout the south for over 30 years, JFC's community support allows us to bring soccer to young athletes ranging in ages from 4-18.

In order to maintain such a GREAT club which is steadily growing in numbers each season as well as maintaining excellent facilities and to continue to be able to attract our top notch coaches, we must rely on our local business community. JFC receives NO financial support from our city, county or state. We are a 501c3 non-profit organization.

Our sponsors make it possible for JFC to continue to provide new programs and opportunities for players, as well as pay our staff and coaches. Because of sponsors, JFC also is able to provide opportunities to children who otherwise would not be able to participate in soccer by funding scholarships for these children. We strive continually to keep our great sport affordable to everyone and our sponsors continue to help make this happen.

Now is the time where we need our community to step up and support these young athletes. We will be hosting our 5<sup>th</sup> Annual \$10,000 Drawdown and Silent Auction at Hal and Mal's Restaurant on Saturday, March 31, 2012. This is a TREMENDOUS opportunity for you to lend your support by making a contribution. There are various sponsorship levels to choose from that benefit sponsors at different levels. In these tough economic times, help us keep our athletes at the top of their game by helping provide them with the best available facilities, staff and coaches to help them succeed. We ask that you think of the importance of sports in our community and hope your business will continue to be one the integral parts of ensuring that Jackson Futbol Club remains one of the premier soccer organizations in the country.

Thank you in advance for your consideration.
